

# ElectroTechnical Association

## Membership Application Form

I hereby apply for membership of the Association in the name of the business entered below. I agree to uphold the principles of the Association and abide by the existing rules at all times. Any person, partnership, company, body corporate or association working in the industry or in such related industry areas that are not inconsistent with clause 2.1.1 of the Association Rules may make applications for ordinary membership.

*[Clause 2.1.1(Objects) To promote the general interests and welfare of all involved in the manufacture, importing, distributing, retailing or servicing of electronic and electrical appliances and systems (In these rules called the "Industry") and/or the provision of ancillary services to, or in association with any of the above. By way of example but not in limitation, the products and services referred to herein, shall mean and include the supply and servicing of all goods generically termed electrical and electronic products, home appliances, computers, electronic games, telephonic and communication equipment, security equipment and associated systems and services and any additional items which may from time to time fall within this generic grouping].*

I understand that this application form must be completed fully and accompanied by the appropriate fee in accordance with the enclosed scale. **NOTE:** Fees may vary from year to year, (refer to current fee chart) and may be paid either by cheque, made out in favour of the ETA, direct credited, or by credit card (Visa or MasterCard) – **See Remittance Advice**
