Note:

1. Program with full details of the activities for each day will be place on the website as soon as possible, but a draft based on feedback is available on the website. The program will be designed to inform and entertain, while allowing free time.
2. Tick the relevant boxes in the table above, and add the values. The optional activities shown above are confirmed costs, and these trips will be arranged for you.
3. An activity guide prepared by Rydges has been placed on the website as well.
4. Now complete the registration form below.
